

**Idaho State Department of Education  
Idaho Charter School Support Program  
Grant Awards 2005-2008**

The following schools were recommended for funding under the Federal Public Charter Schools Program, Title V, Part B, Subpart 1 of the elementary and Secondary Act of 1965, as amended by the No Child Left Behind Act of 2001. The Idaho State Department of Education may award sub-grants for public charter school planning and implementation. See Education Department General Administrative Regulations (EDGAR) at [www.edgov/policy/fund/ref/edgovReg/edgov.html](http://www.edgov/policy/fund/ref/edgovReg/edgov.html).

The 2007-2008 school year marks the end of a three-year federal grant. Funding for sub-grant projects that extend beyond that date will be dependent upon the availability of future funding.
